| <input type="checkbox"/> Property appraisal | <input type="checkbox"/> Roof system design | <input type="checkbox"/> Space planning / programming |

General Statement of Professional Experience (written by firm)

Sevee & Maher Engineers, Inc. (SME) is a full service civil engineering firm, offering professional services for civil and utility design, waste management, landfill design, water resources, groundwater issues, geotechnical investigations, and environmental compliance. Since 1985, SME has provided quality and timely professional services to an extensive array of public and private sector clients in Maine, New England, and the east coast. A majority of our work comes from repeat clients, who value SME's technical expertise, creative problem-solving, communication skills, and excellent rapport with State and Federal regulatory agencies. We performed civil and environmental engineering services for the Maine Bureau of General Services from 2001 to 2005.
